India Space Congress

26-28 June, 2024

The Lalit, New Delhi

Bridging Boundaries, Transforming Tomorrow

Welcome to ISC-2024 - the pinnacle of exploration, innovation, and collaboration in the realm of space. Our theme, "Space Innovation: Bridging Boundaries, Transforming Tomorrow," serves as a compass guiding us through a cosmic odyssey of ideas and opportunities. This premier event is a catalyst for shaping the future of space technology, fostering collaboration, inspiring disruptive business models, driving investments, nurturing startups, and influencing regulatory and policy support.

Join us at ISC-2024 as we transcend boundaries, explore new horizons, and collectively transform tomorrow through the power of space technology innovation. The cosmos awaits, and together, we'll chart the course for a future that knows no limits.

OUR PARTNERS

In ISC-2023

THE VISION

At ISC 2024, we envision a cosmic hub of innovation and collaboration, shaping the future of space technology. Our goal is to foster breakthroughs, inspire disruptive business models, facilitate seamless investments, empower startups, and influence regulatory landscapes. ISC 2024 is more than an event; it's a transformative journey into a limitless future of space possibilities.
